01:18:57 Kiran M.: Ms. Gleit was in a job that she didn't like that much(I couldn't retain all of the information.) She said that her heart was set on helping children, and her goal was similar to those of Grandma Sparky. Neva had a toxic relationship with a friend. She had to kind of understand herself before she could be in a good relationship with someone else. I thought that they both had really good stories (if I get any info. wrong you can correct me)
